REPORT TO THE COUNCIL

Author: Cllr. Karen Carins

Date: 28th September 2020

Purpose of report: To update the Council on matters affecting Stannington Parish

Minutes of Brenkley and Shotton OCCS Liaison Committees circulated

Stannington Village

Commentary:

NCC will begin road repairs at The Glebe on the 28th September 2020.

Playdale have requested, again, the council's thoughts on the playground layout for the new play equipment. There are football nets which have appeared on the playing field and football coaching and keep fit classes have been taking place. The Parish Council was not aware of this and will endeavour to ascertain if these classes have the relevant insurances and clearance to conduct the classes, reports of antisocial behaviour has also been reported by residents.

Councillor Carins has purchased a hamper for Maurice during his convalescence. Maurice attended a meeting with Councillor Carins and the contactors to look at a suitable position for Maurice's retirement tree and bench. A weeping cherry and a seat will be placed at the triangle between the village hall car park and Green Close. The work will commence 28th September 2020.

Councillor Carins has had a meeting with Martin King, NCC Highways Officer and Councillor Eileen Armstrong on the Blagdon footpath (opposite the ice cream parlour) to view the repairs which have taken place to the footpath. The work has been extensive and Councillor Carins sent an email thanking the NCC team for their sterling work.

The War Memorial has been desecrated which is very sad. The stonemason who made the original plaque has kindly offered to replace the plaque, free of charge. The police have been informed and the crime number is 350/260920. Reports of other antisocial behaviour has been reported and a meeting with the local police officer for our area and other bodies is to be organised.

Pedestrians are, again, having issues with cyclists riding on footpaths in the Parish and not using a bell to warn people walking on cyclists' routes. Councillor Carins repeats that the main footpath, in question, is the south slip road coming into the village, pedestrians have suffered abuse and near collisions with cyclists using the path illegally. This is not a cyclist path. The conflict between cyclists on the road next to Swan Farm (this is the designated cycle path but there are no pavements) has also witnessed some near accidents between cyclists, children, dogs and pedestrians. Cyclists are not giving warning to walkers and riding at speeds in excess of 20 mph. Residents have asked that sign posts be erected to ensure that the cyclist and pedestrian conflict is lessened.

The Pizza Paddock has been granted a street licence and will park weekly at the same spot as the fish and chip van.

Actions requested:

The council to arrange a safe meeting with Playdale. The council to look at clear cyclist signage and the War Memorial repair. The trees and hedging to be planted within the next 2 months by the new bungalows and tree surgery be performed soon as there has been a lot of fallen branches around the Parish.

The Coronavirus Pandemic

Volunteers have continued to assist residents in the Parish. The Ridley Arms and other businesses, within the Parish, are now open and operating under Coronavirus restrictions and within safety guidelines. Councillor Carins has taken receipt of 50 Age Concern packs to help residents over the winter months. Councillor Carins is liaising with Age Concern to organise phone calls and food parcels to our residents.

Actions requested:

To continue to support the residents and businesses in our Parish.

Saint Marys and Stannington Station Road

Station Road has had some road repairs. No other reports have come in from Station Road to date. No reports have come in for St Marys to date.

Commentary:

The council to continue to work with residents. Residents must remain vigilant.

REPORT TO THE COUNCIL

Author: Cllr Malcolm Scott

Date: 28th September 2020

Purpose of report: To update the Council on issues raised

Commentary:

- a) Resident has reported that the side approach walls at Bellasis Bridge are heavily overgrown and as such any unfamiliar motorist may seriously damage their vehicle through not being able to see the stonework just prior to the bridge.

Actions requested:

To discuss this issue regarding the cutting back of this vegetation around the stonework.

- b) A resident has expressed concerns at seeing vehicles at least three times in recent weeks driving Southward along the slip road to try to join the A1. The vehicles had driven to the mini roundabout and turned left. He managed to stop one but the other carried on.

Actions Required

Discuss with Council potential provision of suitable additional warning signage in an effort to prevent this issue.

43. To receive any declarations of interest in the agenda

KC, MS, RT – Grant to the WW” Battle of Britain Group (note DH and RP no longer members of the group)

44. Cooption of a Councillor

As noted in the prior meeting two individuals had expressed an interest in cooption to the council. Mrs Heneghan and also Mr Nixon, both of Station Road Stannington. Members were particularly pleased to have representation from Station Road. This cooption had been delayed because of Covid19.

Normal procedure for cooption is for the councillors to nominate residents and for selection to take place. On this occasion the council wanted to have a fair and equitable process and so had met informally with both candidates by way of an informal interview with 7 identical questions regarding the parish, planning, parish issues, opportunities and challenges and council procedures as well as the opportunity for candidates to express their interest in the role.

It was clear that both candidates were in fact excellent and that they would both be an asset to the council and the parish. There was however only one vacancy until May 2021.

Resolved that: Mr Nixon be coopted to the Council and that Mrs Heneghan be sincerely thanked for her interest.

45. Grant applications

The council noted that the cheque for £6618.40 was received from the WW2 group, this being the remainder of the surplus from the WW1 Centenary event and that such funds to be used for community grants and funding the plaque for the WW1 39 soldiers as previously agreed.

The council had previously agreed to make a donation to the group for £4081.60 and supporting documents including receipt and invoices were circulated to all Councillors.

Resolved that: the payment of £4081.60 be now made to the WW” Battle of Britain Group.

43. Any other Business

- A discussion took place regarding possible arrangements for the annual Remembrance Service with the potential that this may not take place because of Covid 19 and Northumberland County Council refusal to grant road closures. The Council agreed to keep this under review.
- Noted that the Fountain Remembrance Plaque had been damaged and that Bart Endean had offered to replace this free of Charge. The Chair has reported this and other anti-social activity to the police and is to meet the registered social landlord to discuss.
